HFDXARC Radio Rally

Booking Conditions

Venue: The rally will be held at Welwick Village Hall, Northfield Lane, Welwick, East Riding of Yorkshire, HU12 0SH.

Passes: On arrival, all traders are to report to the main entrance, where they will be issued with their passes, these need to be clearly visible to the rally organisers at all times.

Inside tables: Two chairs and two passes will be provided per booking. Please do not attempt to bring in additional people without notifying the Rally Manager or one of the rally organisers and making payment for the additional passes.

Tables: The event tables measures 1829mm x 762mm approx. (6ft x 2.5ft. approx.) If our suppliers cannot provide enough tables of this size, we reserve the right to provide an alternative. We ask all traders to refrain from moving tables and/or equipment outside their designated area, as laid out by the rally organisers, and to ensure displays do not obstruct gangways and exits. This is an important health and safety condition and will be strictly enforced.

Additional tables: Please ensure you book sufficient tables for your needs. We will not be able to change floor plans at the last minute to make space for extras or last minute dealers.

Supply of electricity: The supply of electricity is limited and will be allocated on a first come, first served basis. This must be indicated on the booking form and cannot be amended on the day. No dealer or group will attempt to use any electricity if it has not been paid for in advance.

Payment: Please make payments as instructed. When we receive your booking form and payment in full, a receipt will be issued. Once payment is credited to our account, the table(s) will be allocated. Should the event be cancelled by us, all monies will be returned to you as soon as possible. If you cancel within seven days of the event no refund will be given. Cancellations and refunds before this time will be at the discretion of the rally organisers.

Alternative names: If you trade under a different name, please ensure this is included on the booking form, and matches the bank account used to make the payment. This will prevent confusion in accounting for payments by traders using more than one name.

Liability: The extent of the clubs liability to any trader for this event shall not exceed the payment made to the club by said trader. All traders should carry out their own risk assessment and carry public liability insurance for this event. Proof may be asked for upon entry to the rally, failure to provide proof will result in non-entry to the rally and no monies will be refunded.

Please note: The rally organisers have the right to refuse entry to any person or dealer/club without any reason given.

All club and amateur bookings must not sell new items, as to compete with traders, if you wish to sell new products you must book in as a main dealer.

The Chairman, Rally Manager and rally organisers of the HFDXARC Radio Rally, hereby disclaim all responsibility for transactions between vendors and buyers.
